INDEX TO VOLUME 103

Pagination according to months:

July, 1958, 1–46
August, 1958, 47–100
September, 1958, 101–156
October, 1958, 157–221
November, 1958, 222–266
December, 1958, 267–309

Andrewes, C. H.: A De Lamar Lecture for 1958. A Decade with the Common Cold 1
Aortic Stenosis. Neurological Disorders in 287

Baserga, Renato: (see Lisco, Herman) 101
Bergman, Ronald A.: An Experimental Study of the Non-Fibrillar Components in Frog Striated Muscle 267
Beskind, Harry: The Effect of Potassium Deficiency on Tubular Transport of Glucose and Amino Acids 95
Bone Marrow and Fat Embolism in Sickle Cell Anemia and Sickle Cell-Hemoglobin C Disease. Shelley, William M. and Curtis, Earnest M. 8
Book Reviews 41, 97, 151, 218, 263, 299
Boyer, Samuel H. IV: Chronotropic Responses to Sympathomimetic Amines in Experimental Complete Heart Block: The Influence of Pentobarbital Hydrocortisone and Acid-Base Changes 47
Brewster, William R. Jr.: The Effect of Thyroid Hormone and Temperature on the Kinetics of Contraction and Relaxation of Ventricular Heart Muscle 157

Cardiac Failure. Oxygen Tension and Acid-Base Adjustment in 242
Carroll, Douglas: Oxygen Tension and Acid-Base Adjustment in Cardiac Failure 242
Changes in Reflex Patterns Following Spinal Cord Hemisection in Cats. Teasdall, R. D., Magladery, J. W. and Ramey, E. H. 223
Chick Embryo Extract. Protein Fractions of and Their Growth Effects in Tissue Culture 32
Chisholm, Arthur W.: (see Boyer, Samuel H. IV.) 47
Chock, Raymond Y. W.: (see Brewster, William R. Jr.) 157
Chronotropic Responses to Sympathomimetic Amines in Experimental Complete Heart Block: The Influence of Pentobarbital Hydrocortisone and Acid-Base Changes. Boyer, Samuel H. IV, and Chisholm, Arthur W. 47
Cluff, Leighton: (see Peeler, Richard N.) 183
Comparison of Intradermal and Intramuscular Immunization of Mice with Fluid Tetanus Toxoid. Neu, Harold C. and Norton, James H. 94
Crawford, David T.: Histochemical Demonstration of Cytochrome Oxidase with a New Reagent for the Nadi Reaction 94
Curtis, Earnest M.: (see Shelley, William M.) 8

Decontamination Studies with Thorium X and a Note on its Probable Mode of Action. Hollander, Mark B. and Enns, Theodore 281
De Lamar Lecture for 1958. A Decade with the Common Cold. Andrewes, C. H. 1
Ducoff, Howard S.: (see Lisco, Hermann) 101

Effect of Potassium Deficiency on Tubular Transport of Glucose and Amino Acids. Beskind, Harry 95

Cardiac Failure. Oxygen Tension and Acid-Base Adjustment in 242
Carroll, Douglas: Oxygen Tension and Acid-Base Adjustment in Cardiac Failure 242
Changes in Reflex Patterns Following Spinal Cord Hemisection in Cats. Teasdall, R. D., Magladery, J. W. and Ramey, E. H. 223
Chick Embryo Extract. Protein Fractions of and Their Growth Effects in Tissue Culture 32
Chisholm, Arthur W.: (see Boyer, Samuel H. IV.) 47
Chock, Raymond Y. W.: (see Brewster, William R. Jr.) 157
Chronotropic Responses to Sympathomimetic Amines in Experimental Complete Heart Block: The Influence of Pentobarbital Hydrocortisone and Acid-Base Changes. Boyer, Samuel H. IV, and Chisholm, Arthur W. 47
Cluff, Leighton: (see Peeler, Richard N.) 183
Comparison of Intradermal and Intramuscular Immunization of Mice with Fluid Tetanus Toxoid. Neu, Harold C. and Norton, James H. 94
Crawford, David T.: Histochemical Demonstration of Cytochrome Oxidase with a New Reagent for the Nadi Reaction 94
Curtis, Earnest M.: (see Shelley, William M.) 8

Decontamination Studies with Thorium X and a Note on its Probable Mode of Action. Hollander, Mark B. and Enns, Theodore 281
De Lamar Lecture for 1958. A Decade with the Common Cold. Andrewes, C. H. 1
Ducoff, Howard S.: (see Lisco, Hermann) 101

Effect of Potassium Deficiency on Tubular Transport of Glucose and Amino Acids. Beskind, Harry 95

Effect of Thyroid Hormones and Temperature on the Kinetics of Contraction and Relaxation of Ventricular Heart Muscle. Brewster, William R. Jr., Isaacs, James P., Osgood, Patricia R., Nylander, Anne M. and Chock, Raymond Y. W. 157
Encephalopathy Caused by Influenza Virus 125, 140
Enns, Theodore: (see Hollander, Mark B.) 281
Experimental Studies with Gantrisin and Kynex in Treatment of Pyelonephritis. Zikria, Bashir A. 95
Experimental Study of the Non-Fibrillar Components in Frog Striated Muscle. Bergman, Ronald A. 267

Failure of Manual Artificial Respiration. Safar, Peter 39
Fat Embolism in Sickle Cell Anemia and Sickle Cell-Hemoglobin C Disease 8
Flow, Fluid, and Volume and Other Distributive Phenomena. Simplified Explanation of the Theory of Indicator-Dilution for Measurement of 199
Folse, J. Roland: The Relation of Suture-Line Tension to the Healing of Tracheal Anastomoses: Application to the Repair of Experimental Tracheal Defects 96
Ford, F. R.: Raeder's Paratrigeminal Syndrome. A Benign Disorder Possibly a Complication of Migraine 296

Heart Block. Chronotropic Responses to Sympathomimetic Amines in Experimental 47
Heart Muscle, Ventricular. The Effect of Thyroid Hormones and Temperature on the Kinetics of Contraction and Relaxation of 157
Hemorrhagic Encephalopathy in Chicken Embryos Infected with Influenza Virus.
I. Factors Influencing the Development of Hemorrhages. Hook, Edward W. and Wagner, Robert R. 125
II. Pathology. Hook, Edward W., Luttrell, Charles N. and Wagner, Robert R. 140
Histochemical Demonstration of Cytochrome Oxidase with a New Reagent for the Nadi Reaction. Crawford, David T. 94
Hollander, Mark B.: Decontamination Studies with Thorium X and a Note on its Probable Mode of Action 281
Hook, Edward W.: Hemorrhagic Encephalopathy in Chicken Embryos Infected with Influenza Virus.
I. Factors Influencing the Development of Hemorrhages 125
II. Pathology 140
Hyperimmunization in Man. Peeler, Richard N., Cluff, Leighton and Trever, Robert W. 183

Indicator-Dilution Theory. Simplified Explanation of for Measurement of Fluid Flow and Volume and Other Distributive Phenomena 199
Influence of Total Body X-Irradiation on the Response of Mice to Methylcholanthrene. Lisco, Hermann, Ducoff, Howard S. and Baserga, Renato 101
Influenza Virus: Hemorrhagic Encephalopathy 125, 140
: Vascular Endothelium 95
Interaction of Influenza Virus and Vascular Endothelium as Determined by Perfusion of the Portal Vein of the Mouse, Kessler, George H. Jr. 95
Isaacs, James P.: (see Brewster, William R. Jr.) 157

Johns Hopkins Medical Society. Abstracts of Meetings of 39, 94
Jude, James R.: (see McCann, William P.) 39
(see McCann, William P.) 77

Kessler, George H. Jr.: Interaction of Influenza Virus and Vascular Endothelium as Determined by Perfusion of the Portal Vein of the Mouse 95
Krypton^{85}. The Localization of Circulatory Shunts with. A Preliminary Report 27

Lasagna, Louis: (see Zikria, Bashir A.) ... 117
Lisco, Hermann: The Influence of Total Body X-Irradiation on the Response of Mice to Methylcholanthrene ... 101
Localization of Circulatory Shunts with Inhaled Krypton^{85}. A Preliminary Clinical Report. Sanders, Richard J. and Morrow, Andrew G. ... 27
Luttrell, Charles N.: (see Hook, Edward W.) ... 140

McCann, William P.: The Renal Synthesis of Blood Sugar ... 39
The Synthesis of Glucose by the Kidney ... 77
(see Zikria, B. A.) ... 117
Magladery, J. W.: Stretch Reflexes in Patients with Spinal Cord Lesions ... 236
(see Teasdall, R. D.) ... 223
Methylcholanthrene. The Influence of Total Body X-Irradiation on the Response of Mice to ... 101
Migraine. Raeder's Paratrigeminal Syndrome. A Benign Disorder Possibly a Complication of ... 296
Morrow, Andrew G.: (see Sanders, Richard J.) ... 27

Neu, Harold C.: Comparison of Intradermal and Intramuscular Immunization of Mice with Fluid Tetanus Toxoid ... 94
Neurological Disorders in Aortic Stenosis. Swanson, Phillip D. ... 287
Non-Fibrillar Components in Striated Muscle. An Experimental Study of ... 267
Norton, James H.: (see Neu, Harold C.) ... 94
Nylander, Anne M.: (see Brewster, William R. Jr.) ... 157

Osgood, Patricia R.: (see Brewster, William R. Jr.) ... 157
Oxygen Tension and Acid-Base Adjustment in Cardiac Failure. Carroll, Douglas ... 242

Peeler, Richard N.: Hyperimmunization in Man ... 183
Pentobarbital Hydrocortisone and Acid-Base Changes ... 47
Protein Fractions of Chick Embryo Extract and Their Growth Effects in Tissue Culture. Rosenfeld, Morris ... 32

Raeder's Paratrigeminal Syndrome. A Benign Disorder Possibly a Complication of Migraine. Ford, F. R. and Walsh, F. B. ... 296
Ramey, E. H.: (see Teasdall, R. D.) ... 223
Relation of Suture-Line Tension to the Healing of Tracheal Anastomoses: Application to the Repair of Experimental Tracheal Defects. Folse, J. Roland ... 96
Relative Importance of Blood and Urinary Concentrations of Sulfonamide in the Treatment of Urinary Tract Infections: A Comparison of Sulfisixazole (Gantrisin) and Sulfamethoxypyridazine (Kynex, Midicel) in Man and Rat. Zikria, Bashir A., Lasagna, Louis and McCann, William P. ... 117
Renal Synthesis of Blood Sugar. McCann, William P. and Jude, James R. ... 39
Rosenfeld, Morris: Protein Fractions of Chick Embryo Extract and Their Growth Effects in Tissue Culture ... 32

Safar, Peter: The Failure of Manual Artificial Respiration ... 39
Sanders, Richard J.: The Localization of Circulatory Shunts with Inhaled Krypton^{85}. A Preliminary Clinical Report ... 27
Shelley, William M.: Bone Marrow and Fat Embolism in Sickle Cell Anemia and Sickle Cell-Hemoglobin C Disease ... 8
Shunts, Circulatory. The Localization of with Inhaled Krypton^{85}. A Preliminary Clinical Report ... 27
Sickle Cell-Hemoglobin C. Disease ... 8
Simplified Explanation of the Theory of Indicator-Dilution for Measurement of Fluid Flow and Volume and Other Distributive Phenomena. Zierler, Kenneth L. ... 199

Spinal Cord.
Changes in Reflex Patterns in Cats Following Hemisection of 223
Stretch Reflexes in Patients with Lesions of 236
Stretch Reflexes in Patients with Spinal Cord Lesions, Magladery, J. W. and Teasdall, R. D. 236
Sulfamethoxypyridazine: In Urinary Tract Infection 117
Sulfisoxazole (Gantrisin) and Sulfamethoxypyridazine (Kynex, Midicel). A Comparison of in Man and Rat in Urinary Tract Infections 117
Swanson, Phillip D.: Neurological Disorders in Aortic Stenosis 287
Synthesis of Glucose by the Kidney. McCann, William P. and Jude, James R. 77

Teasdall, R. D.: Changes in Reflex Patterns Following Spinal Cord Hemisection in Cats 223
(see Magladery, J. W.) 236
Thorium X. Decontamination Studies and a Note on its Probable Mode of Action 281
Thyroid Hormones and Temperature on the Kinetics of Contraction and Relaxation of Ventricular Heart Muscle. The Effect of 157
Trever, Robert W.: (see Peeler, Richard N.) 183

Urinary Tract Infections. The Relative Importance of Blood and Urinary Concentrations of Sulfonamide in the Treatment of 117

Volume and Other Distributive Phenomena. Simplified Explanation of the Theory of Indicator-Dilution for Measurement of Fluid Flow and 199

Wagner, Robert R.: (see Hook, Edward W.) 125, 140
Walsh, F. B.: (see Ford, F. R.) 296

Zierler, Kenneth L.: A Simplified Explanation of the Theory of Indicator-Dilution for Measurement of Fluid Flow and Volume and Other Distributive Phenomena 199
Zikria, Bashir A.: Experimental Studies with Gantrisin and Kynex in Treatment of Pyelonephritis 95
The Relative Importance of Blood and Urinary Concentrations of Sulfonamide in the Treatment of Urinary Tract Infections: A Comparison of Sulfisoxazole (Gantrisin) and Sulfamethoxypyridazine (Kynex, Midicel) in Man and Rat 117
